Please help us to keep Shaker's case in the public eye, and to campaign for our government to do the right thing and bring Shaker home.

Please email info@saveshaker.org for further details on how you can donate.

The campaign would like to purchase more orange prison jumpsuits and make black hoods given the increased turnout at recent VIGILS - target for this initiative is £200. In addition, the regular printing of leaflets, fact sheets, posters, placards, model letters and hire of meeting rooms means we always require a regular flow of monies coming in to the campaign fund - 1000 leaflets can cost SSAC around £15. We also hope to have some FREE SHAKER AAMER NOW T-shirts printed, and produce some new banners which could be used by SSAC activists both in and outside of LONDON. We need to ensure campaign resources are always available to our activists please donate what you can afford.
